Discussion Questions

1 – What is an example of a generational gap you've experienced? (It might be fun to think of one with the generation older and younger than you!

2 – Why did the faith of the generation following Joshua grow cold, causing their vision to get blurry, causing them to do evil in the eyes of the Lord?

3 – What do you think of the statement, *God doesn't have grandchildren*?

4 – How would you answer the question, *Where is Jesus present in your life today?*

5 – How can you stir the embers of faith in your children, grandchildren, nieces, nephews, or other members of the next generation with whom you have contact?

Next Steps
Ask God to put a specific person on your heart in the next generation (no matter how old or young you are!) whom you can fan the flame of their faith.

Prayer Focus
Father, I pray that you would give me eyes to see where you are working in my life. May I continually take steps of faith so that I will experience the goodness of your love and faithfulness again and again, especially in the most difficult of circumstances. Grant me insight and courage to help the next generation experience you daily in a personal relationship.
