

The Week that Changed the World

Monday

March 9 & 10, 2019

Mark 11:12-14, 20-24

Big Idea

It is not the size of our faith; it's the size of the God we put our faith in!

Scripture

Matthew 17:20

Colossians 2:6-7

Hebrews 12:1-2

Discussion Questions

1 – Have you ever experienced a miracle or heard a story of a miracle? Tell the group about it. What did that do for your faith?

2 – Read Matthew 17:20. What was Jesus teaching the disciples about faith? What are some mountains you face in your life that you think need to be moved?

3 – What do we learn about faith in Colossians 2:6-7? What are some things that help you to “let your roots grow down into Him?”

4 – According to Hebrews 12:1-3, who should be the focus of our faith? According to verse 3, how does focusing on Jesus' sacrifice help our faith?

5 – How does hearing stories about people of faith help us in our own faith walk? Who has a faith that inspires you? What have you learned from him/her?

Next Steps

Read through Hebrews 11. List the people mentioned in this chapter and the amazing things that happened because of their faith in God. Ask yourself, do I need to grow in my faith? Do I need to pray supernaturally?

Prayer Focus

Ask God to help you remember that it is Him who does the miracles. Ask Him to show you where you need to ask for something bigger than you, then pray for that miracle!
